## What is Youth Tour?

The most frequent explanation we hear from past winners is, "The trip of a lifetime!" The Youth Tour is an annual week-long all-expenses-paid event that brings together approximately 100 high school juniors from Missouri and more than 1,600 juniors from all over the country to explore the nation's capital and learn more about government, cooperatives, leadership and the sites of D.C.!

## Who is eligible for the contest?

Any high school junior attending a school or being home-schooled, in the Tri-County Electric Cooperative service territory. Children and grandchildren of employees or directors are NOT eligible.

## How do I enter the contest?

Submit an essay, 1 to 2 page in length using MLA format. Be sure to attach the required application form (found at [www.tricountyelectric.org/content/youth-tour-cycle](http://www.tricountyelectric.org/content/youth-tour-cycle)).

## How are finalists selected?

A judging committee scores each essay based on knowledge of the subject, originality, composition, neatness, grammar and ability to effectively communicate thoughts. The top two essays will be the winners of the Youth Tour Experience.

## How many students get to go to Washington, D.C.?

The two students with the highest overall scores will be awarded the all-expense-

paid trip to our nation's capital. The next two finalist are awarded a trip to the Cooperative Youth Conference and Leadership Experience (CYCLE) and will be alternates for the trip to D.C.
